

ABROAD WITH THE LOCKHARTS

Maintained by the Old Time Radio Researchers Version 2206

The Old Time Radio Researchers Group (OTRR) presents its set of ABROAD WITH THE LOCKHARTS. The OTRR contributors have researched this series and compiled the highest quality and most accurately labeled individuals episodes available to the group.

There are 9 EPISODES in this set, released June 2022. To prevent inferior and mislabeled episodes from circulating further, we recommend that all prior OTRR sets of ABROAD WITH THE LOCKHARTS be discarded.

It is always possible that new episodes, improved sounds files, or more accurate labels and program information will be discovered; such is the nature of ongoing research. We welcome these new discoveries and encourage anyone involved with such to contact the Old Time Radio Researchers at our website (www.otrr.org), our [Groups.io page](#), or our [Facebook page](#).

The Old Time Radio Researchers Group would like to thank the following people who contributed to this set:
