ACKNOWLEDGMENTS

The listing that follows was compiled from many sources with help from many people associated with the program and WXYZ. Most of the accuracy comes from the original WXYZ production logs of the program and the broadcast logs that were kept by hand at the station. I now own this material and it has helped greatly in producing good logs with very little misinformation in them. This material covers THE LONE RANGER, THE GREEN HORNET, and THE CHALLENGE OF THE YUKON.

This log, as well as a log for THE GREEN HORNET which I have not yet released, came about with my research on THE LONE RANGER. Research in Washington, D.C. at the Copyright Office, reading microfilms of copyright entries, The Detroit News, The Detroit Times, and The Detroit Free Press newspapers, as well as other sources of information available on microfilms, helped very much. Many hours of research work, travel, telephone calls, entering data into the computer, etc., have gone into the body of this broadcast log. There is still some information that is needed to complete this log, but for now thanks to those who have helped and encouraged me in this work, especially to the following:

Lee Allman Nancy Hunt
Tony Caminita Ralph Jewell
Tom Dougall Jim Lawrence
Fred Flowerday Dick Osgood
Denise Green Fran Striker, Jr.
