

FAMILY THEATER

Maintained by the Old Time Radio Researchers Version 2302

The Old Time Radio Researchers Group (OTRR) presents its set of FAMILY THEATER. The OTRR contributors have researched this series and compiled the highest quality and most accurately labeled individuals episodes available to the group.

There are 525 EPISODES in this set, released FEBRUARY 2023. To prevent inferior and mislabeled episodes from circulating further, we recommend that all prior OTRR sets of FAMILY THEATER be discarded.

It is always possible that new episodes, improved sounds files, or more accurate labels and program information will be discovered; such is the nature of ongoing research. We welcome these new discoveries and encourage anyone involved with such to contact the Old Time Radio Researchers at our website (www.otrr.org), our [Groups.io page](#), or our [Facebook page](#).

The episode numbering for the episodes in this set come from the log of the production company responsible for *Family Theater*. A copy of this log with handwritten notes is included in this set. The copy originates from the papers of Jim Fox, a pioneering old-time radio hobbyist from the Los Angeles area in the late '60s and early 70s.
