

The Golden Gate Quartet Sings
Maintained by the Old Time Radio Researchers
Version 1906

The Old Time Radio Researchers Group (OTRR) presents its set of THE GOLDEN GATE QUARTET SINGS. The OTRR contributors have researched this series and compiled the highest quality and most accurately labeled individual episodes available to the group.

There are 81 EPISODES in this set, released JUNE 2019. To prevent inferior and mislabeled episodes from circulating further, we recommend that all prior OTRR sets of THE GOLDEN GATE QUARTET SINGS be discarded.

It is always possible that new episodes, improved sound files, or more accurate labels and program information will be discovered; such is the nature of ongoing research. We welcome these new discoveries and encourage anyone involved with such to contact the Old Time Radio Researchers at our website (www.otrr.org) or our Facebook page.

The Old Time Radio Researchers Group would like to thank the following people who contributed to this set:

Series Coordinator – Ryan Ellett

Quality Listeners – Ryan Ellett, Geoff Loker

Series Synopsis – Ryan Ellett, John Nicholson

All episodes – David Lennick

Audio editing – Scott Smith

Audio Briefs Announcer – A Randall Wenner

Artwork – Brian Allen

And all the members and friends of the OTRR for their contributions of time, knowledge, funds, and other support.
