TAKES CANCER FUND

MONTEREY, Calif. —(U.P.)—The number one candidate for "the meanest man in town" is the crook who stole a cancer fund donation can from a Monterey restaurant. The cafe's owner offered $25—more than the contents of the can—for the thief's capture.

Junk Collector Takes Lots of Same to Jail

MOUNDSVILLE, W. Va. — (UP) —One inmate who spent a night in the county jail must have had an aversion to throwing anything away.

Jailer H. E. Riggs, who gave the clothes of Paul Soter, Crafton, Pa., a routine search, found numerous bottle caps, a screw driver, broken cigarette lighter, a piece from a china plate, a canceled check dated 1916, buttons, empty match folders, pliers, odd pieces of paper — one of which contained Greek words and English translations — safety pins, empty envelopes and old badges.

The only item judged to be of practical value was a penny in an old match box.

'HAMS' FAVORED

TALLAHASSE, Fla. —(U.P.)— Florida citizens will be able to recognize radio "hams" by their auto license tags in 1950. The state authorized special plates bearing call numbers of the operators.

Freezing Wheat Pests No Good, Agent Says

WATONGA, Okla. — (U.P.) — Freezing temperatures are no aid in the war against greenbugs which prey on wheat, County Agent Vance Deaton contends.

To prove it, Deaton froze greenbugs for two days in ice cube trays in his refrigerator.

Then he melted the bug-cubes "and in 30 minutes the greenbugs were crawling around again." Spraying wheat is the best way to fight the bugs, which can live in temperatures down to 5 above zero.

Bob Hope
