KIDNEYS MUST REMOVE EXCESS WASTE

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

TIP O' THE MORNING: Add another date to Vaughn Monroe's Wisconsin list—Wednesday, May 14, at Riverview ballroom, Sauk City. (Jan Garber will be there April 28).

* * *

BEAUTY, thrills, comedy, novelty, rhythm, precision, imagination, originality—name it, and "Ice Vogues of 1952" has it.

The rink revue opened Tuesday night in the University of Wisconsin field house and will be on view there at 8 each night through Sunday, with a matinee at 2:30 p.m. Sunday.

This was the "Vogues' " second Madison showing, and all of it was new; in fact, only four of the performers were with the 1951 version, and all of them were welcome to return.

Individual hit of the 2¾-hour performance was Kay Farrelli,' a sensational juggler who did things on skates that would seem impossible off them. You mightn't believe me if I told you what he did—he even rolled over and over with a bouncing ball balanced on his head.

Otherwise, the show was the kind that is so well integrated, so well produced, and so fast moving that the effect was kaleidoscopic—one hardly finished applauding a number before an equally good one had started.

Returning performers were the graceful and speedy Jean Sakovitch; barrel-jumping James Ceasar with his thrilling leaps and bounds, and Susanne and Tommy LaVonne, who did an Apache number teeming with fun and chills and who were joined by Ceasar for a skillful adagio number.

Comedy was in the capable hands of Doc Carlin, as a gay drunk; Bill Wallenborn, with his rubber legs; Fred Holly and George Simpson, in a riotous dentist-office turn, and LaVonne, who joined Carlin and Holly in a mock ballet.

Bobby Blake and Anne Schmidt scored with rhythm dances; the Perky twins, in a Dutch dance, and Donna Jeanne and Tony LeMac in the grace department.

Production numbers galore focused attention on the dancing choruses of girls and men and emphasized the splendor of costuming and the careful attention to lighting. Perhaps the most beautiful were "Reflections in Gold," with the girls and boys in mirror-dotted costumes, and "Winged Rhapsody," using fans to spectacular advantage.

There was much for the kids in the show, too—especially a candyland parade with peppermint soldiers, wintergreen babies, and lollypops, and a "Wizard of Oz" sequence with Joan Vivian as a dashing, flashing Dorothy.

As was the case last year, the only difference between "Ice Vogues" and larger shows is the size.

BOLOGNINI: Two of his own compositions will be played by Ennio Bolognini, cellist, in his recital at 8 p. m. Saturday in the auditorium of Beth El temple.

The program:

"Concerto in D Minor," Lalo; "Prelude," Purcell; "Suite in C Major" (unaccompanied), Bach; "Poem" (dedicated to Ernest Bloch), Bolognini; "Aria," Tartini; "Goyescas," Granados; "El Gaucho" (fantasie), Bolognini.

AWARD: The "Ave Maria Hour," heard Sundays on WISC and WISC-FM, received the first award for national religious radio programs at the American Exhibition of Educational Radio and TV Programs last week at Columbus, O.

The program is a weekly half-hour produced by the Franciscan Friars of the Atonement at Graymoor, Garrison, N. Y.

CONTESTS: The biennial student and young artist auditions of the National Federation of Music Clubs have been announced by their respective chairmen.

Spain Envoy Pledges 2 Million-Man Force

INDIANAPOLIS, Ind. — (AP) — Spain could muster an army of 2,000,000 men to fight Communism and its naval and air bases would be a positive aid to the North Atlantic Treaty Organization, the Spanish ambassador to the U.S. said Tuesday.

Ambassador Don Jose Felix De Lequerica told a Rotary Club luncheon that "Spain's very strategic importance is the principal cause" for a campaign to exclude the country from NATO. Spain, he said, would be willing to join the organization.

POLLUTION GROUP TO MEET

The Wisconsin Committee on Water Pollution will meet at 9 a. m. Tuesday in room 707 of the State Office Building, according to Theodore F. Wisniewski, committee director.
