India's First

Ingrani Rehman

Ingrani Rehman, 23, winner of India's first nationwide beauty contest, will represent her nation in the "Miss Universe" contest in Long Beach, Calif., June 23. The Calcutta miss was educated in New York. You see her here in a bathing suit, in which she will compete in the finals, but contestans in India's finals at Bombay wore native dancing costumes. Orientals, it seems, are finicky about exhibiting the feminine form. (International)
