

Please Pass The Biscuits, Pappy

By W. Lee O'Daniel

I like mountain music, good old mountain music,
Played by the real hillbilly band.

I like bread and biscuits, big white fluffy biscuits.
My dear old Ma just makes them grand.

We like to sing and play and try to make folks happy.
We hope you'll say, "Please pass the biscuits, Pappy."

I like mountain music, good old mountain music,
Played by the real hillbilly band.
