

MURDER AT MIDNIGHT

Maintained by the Old Time Radio Researchers
Version 1907

The Old Time Radio Researchers Group (OTRR) presents its set of MURDER AT MIDNIGHT. The OTRR contributors have researched this series and compiled the highest quality and most accurately labeled individual episodes available to the group.

There are 52 EPISODES (32 in .mp3 and 22 in .flac) in this set, released JULY 2019. To prevent inferior and mislabeled episodes from circulating further, we recommend that all prior OTRR sets of MURDER AT MIDNIGHT be discarded.

It is always possible that new episodes, improved sound files, or more accurate labels and program information will be discovered; such is the nature of ongoing research. We welcome these new discoveries and encourage anyone involved with such to contact the Old Time Radio Researchers at our website (www.otrr.org) or our Facebook page.
