

THE VOYAGE OF THE SCARLET QUEEN

Maintained by the Old Time Radio Researchers Version 2209

The Old Time Radio Researchers Group (OTRR) presents its set of THE VOYAGE OF THE SCARLET QUEEN. The OTRR contributors have researched this series and compiled the highest quality and most accurately labeled individuals episodes available to the group.

There are 35 EPISODES in this set, released SEPTEMBER 2022. To prevent inferior and mislabeled episodes from circulating further, we recommend that all prior OTRR sets of THE VOYAGE OF THE SCARLET QUEEN be discarded.

It is always possible that new episodes, improved sounds files, or more accurate labels and program information will be discovered; such is the nature of ongoing research. We welcome these new discoveries and encourage anyone involved with such to contact the Old Time Radio Researchers at our website (www.otrr.org), our [Groups.io page](https://groups.io), or our [Facebook page](#).

The Old Time Radio Researchers Group would like to thank the following people who contributed to this set:

Series Coordinator – Ryan Ellett
Sound Upgrades and New Episodes – John Nicholson, David Oxford
Audio Briefs Announcers – Clyde Kell, A. Randall Wenner
File Corrections and Set Proofing – Brian Kavanaugh, Andrew Steinberg
CD Labels – Brian Allen
Biographies and Synopsis – Ryan Ellett

And all the members and friends of the OTRR for their contributions of time, knowledge, funds, and other support.
