

WEIRD CIRCLE

Maintained by the Old Time Radio Researchers Version 2004

The Old Time Radio Researchers Group (OTRR) presents its set of WEIRD CIRCLE. The OTRR contributors have researched this series and compiled the highest quality and most accurately labeled individual episodes available to the group.

There are 119 EPISODES in this set, released APRIL 2020. This includes the original 78 episodes and 41 versions with alternate endings and openings. To prevent inferior and mislabeled episodes from circulating further, we recommend that all prior OTRR sets of WEIRD CIRCLE be discarded.

It is always possible that new episodes, improved sound files, or more accurate labels and program information will be discovered; such is the nature of ongoing research. We welcome these new discoveries and encourage anyone involved with such to contact the Old Time Radio Researchers at our website (www.otrr.org), our [Groupsio page](#), or our [Facebook page](#).

The Old Time Radio Researchers Group would like to thank the following people who contributed to this set:
